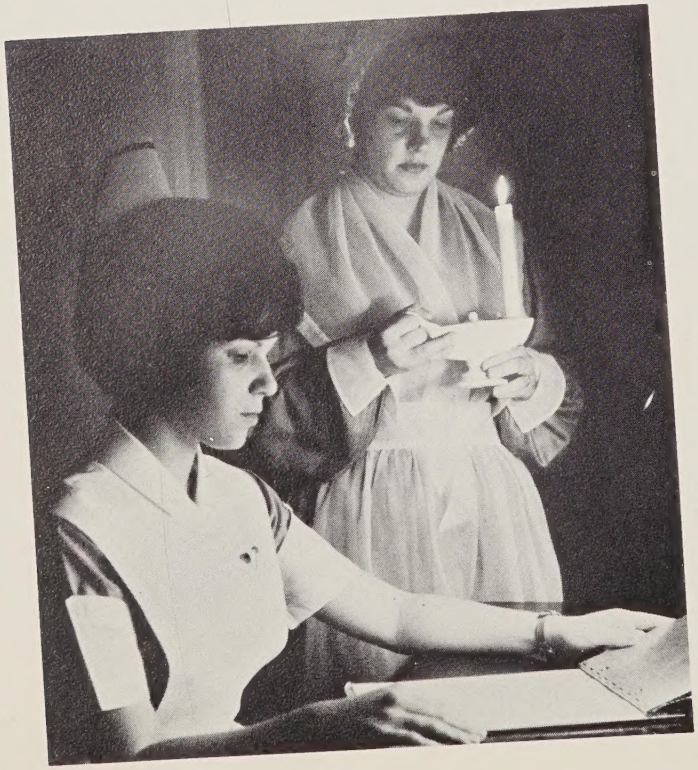
Always Serving



Foreword

"Our life is like some vast lake that is slowly filling with the stream of our years. As the waters creep surely upward, the landmarks of the past are one by one submerged. But there shall always be memory to lift its head above the tide until the lake is overflowing."

Madame X

Reminisce with us as we review those moments that have brought us joy, laughter, heartache, frustration, friendship, knowledge, and a greater understanding of humanity. We hope that thru this annual you will be able to share with us our growth and maturity.

Nightingale Pledge

I solemnly pledge myself before God and in the presence of this assembly:

To pass my life in purity and to practice my profession faithfully.

I will abstain from whatever is deleterious and mischievous, and will not take or knowingly administer any harmful drug.

I will do all in my power to elevate the standards of my profession, and will hold in confidence all personal matters committed to my keeping and all family affairs coming to my knowledge in the practice of my profession.

With loyalty will I endeavor to aid the physician in his work and devote myself to the welfare of those committed to my care.

Santa Filomena

Santa Filomena was formed at Duke University in 1943 and grew out of a need for some means of recognizing achievement of nursing students. It is now a national senior honorary society recognizing initiative as a leader, outstanding nursing care, and achievement for a higher scholastic standard. Its members are tapped each year during an impressive candlelight service, and they may be recognized by the miniature gold Florence Nightingale Lamp which they wear. Those chosen to represent the society consider it an honor and an inspiration to set an example toward the betterment of the school of nursing.

What We Are To Be ...

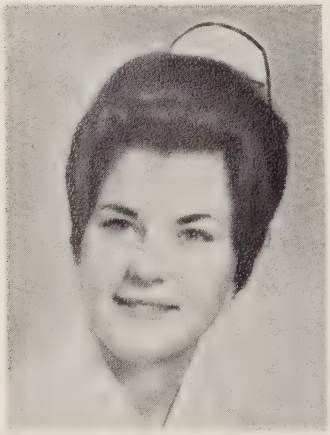
... We Are Now Becoming

Capping, Black Banding And Graduation...

Our first goal is reached at the end of our freshman year when we proudly don our white caps. We receive our black-bands at the end of our junior year, and we declare we are Seniors! Then, for the grand climax of our three years training, we receive our diplomas at graduation and have the realization of a dream come true.

Senior Award

You have inspired us to have a deeper understanding of man and his problems, both physical and emotional. With your concern and willing ear, you have expressed true friendship to each of us; therefore, in appreciation of your constant inspiration and personal touch that has challenged and enriched our lives, we affectionately present the Senior Award to you, MRS. BARBARA JOHNSON.



Annie Award

In 1943, a senior student at Watts won a plaster figure-head at the State Fair. Having no roommate she passed it on when she graduated to the two most deserving and closest roommates. Annie, now battered and patched, has become a tradition at Watts, to be loved and cherished as a symbol of friendship to all roommates receiving her. This year Annie was presented to Phyllis Orr and Donna Williard.

ACTIVITIES

Student Government meetings are held monthly and offer a variety of programs and a chance for students to express their opinions on various proposed changes.

Student Government

Officers of 1965-'66 Student Government are as follows: Margaret Swan, President; Judy Campbell, First Vice-President; Janet Johnson, Second Vice-President; Susan Poe, Secretary; Betty Ray Lee, Treasurer; and Mrs. Robeson, Advisor.

Watts played host for the District Five S.N.A. meeting. The District Five S.N.A. is a member of the State and National Student Nurses Association. Five students from Watts attended the National Convention in San Francisco, California, this year.

Christian Student Union

C.S.U. officers, left to right: Sandra Johnson, President; Gwen Shaw, First Vice-President; Rosemary Perry, Treasurer. Not pictured: Nancy Byrd, Second Vice-President; and Eldean Rhodes, Secretary.

The members of the C.S.U. meet every Tuesday night for a small Devotional hour in the prayer room. They also hold weekly Sunday morning services for the patients. The Christian Student Union is designed to maintain and elevate the spiritual growth of the student.

They have performed at the Christmas Choral Communion, held annually with student nurses from Duke and Lincoln Hospitals. Basketball Team

Watts is well represented by two basketball teams. The varsity squad is composed of Juniors and Seniors while the Freshmen make up the second team. To climax the season, the Watts nurses challenged the doctors to their annual match which proved to be an exciting conclusion to their year.

A friendly game between the varsity and Freshmen teams.

What Is A Student Nurse?

"Student Nurses come in all sizes, shapes, and caps. A Student Nurse is courage under a cap, a smile in snowy white, ambition in a starched uniform, and energy that is endless.

To the head nurse she has the stability of mush, the fleetness of a snail, mentality of a mule, and is held together by starch, adhesive tape, and strained nerves.

A Student Nurse is Faith with a hypo in her hand; Hope with a patched uniform; Love with her hair clipped short. She likes days off, boys her own age, the O.R. affiliation, certain doctors, pretty clothes, her roommate, Mom and Dad, and yes,, her nursing school. She's not much on days off with class. She dislikes alarm clocks, getting up for roll call, and pink ham twice a week.

No one else looks forward so much to a day off, or so little to working 3 to 11. No one else gets so much pleasure from straightening a wrinkled sheet or wetting a pair of parched lips. No one else gets such satisfaction from fluffing a pillow, applying a bandage, or easing the pain of a patient.

A Student Nurse is a wonderful creature. You can criticize her, but cannot dishearten her. You can hurt her feelings but you cannot make her quit. Might as well admit it, whether you are a head nurse, doctor, chaplain, or patient, she is a hardworking, determined young woman, doing her best for her patient, her school, her hospital, and her God. She may not be glamorous, intriguing, or sophisticated, but she is young at heart, and a shining example of the American Way.

Whenever she becomes discouraged or the lamp gets too heavy,she should remember that there is a reward waiting for her. Because surely some of God's angels wear white caps instead of halos, and carry medicine trays instead of harps. And when hours are long; studies are hard; when fatigue and lonesomeness are on her threshold, she is reinspired by looking forward to the day when she can proudly say, "I'm a Nurse!"
